and  
Security Issues for Business***

Friday, November 12, 2004  
8:30 a.m. to 3:00 p.m.  
The Union League Club  
38 East 37<sup>th</sup> Street at Park Avenue  
New York, NY  
\$125 per person by pre-registration  
Breakfast and Lunch will be provided

This seminar is being offered as part of the CI threat awareness program of the Office of the National Counterintelligence Executive. Internationally recognized experts from Government and the Private Sector, with extensive backgrounds in counterintelligence and law enforcement will speak about subjects of immediate importance to the continued viability of your business or government activity.

**Dr. Dean Carver, PhD**, National CI Officer for Economic Matters: Economic Espionage

**Bryan Hurd**, Internationally recognized expert in computer investigations and cyber terrorism: Computer threat issues and Homeland Security

**Ken Piernick**, ONCIX, Retired FBI SSA, former Chief National Threat Center, FBI HQ Counterterrorism Division: CI threat issues of Terrorism

**Tim Powell**, The Knowledge Agency, Internationally recognized expert in the deployment of information content and technologies in marketing and strategy: Global Brand Piracy

The ONCIX conducts only a few of these interesting and powerful regional seminars per year. This will be a rare opportunity to hear experts speak on these topics, with ample time for questions and answers. Seating is limited, so attendance by senior management and security directors from the private sector and government is encouraged. Also encouraged to attend are executives concerned with Risk Management, Loss Mitigation, Cyber Security, and preventing Economic Espionage.

**Business attire is required. The Union League Club policy does not permit reporters at this event.**

**RSVP to reserve your spot before November 1, 2004**

Limited seating -Late registrations and walk-ins discouraged- \$150 after Nov.10

**Sign up online at [www.arising.net](http://www.arising.net) or complete the attached registration form.**
